INTRODUCTION

This Memorandum of Understanding (MOU) is entered into in the spirit of cooperation and collaboration by the Workforce Development Council, hereafter referred to as "the WDC" and the One Stop delivery system signatory partners, hereafter referred to as "the One Stop partners" or "partners" to describe how their various funding streams and resources will be utilized to better serve their mutual customers, both job seekers and employers, through an integrated system of service delivery operated at comprehensive sites known as *IdahoWorks* Career Centers and satellite sites, called *IdahoWorks* Career Connection sites. The attached matrices reflecting the applicable core services offered by each partner and the preferred service methodology were approved by the Workforce Development Council at their May meeting. The service delivery level and methodology should at least meet the level agreed upon by state partners.

The One Stop partner agrees to the following provisions adopted by the WDC:

- Required One Stop partners will make applicable core services available and provide access to other services in at least one physical One Stop Center within each workforce region;
- Partners may utilize any authorized methodology to deliver core services provided the methodology
 - is consistent with the partner’s authorizing legislation and the WIA;
 - does not require the customer to travel to another location to obtain the core service; and
 - meets minimum standards of accessibility set forth in Section 188(a)(1) of the WIA.

Using the matrix as a starting point, describe the kind and nature of services to be provided, including a description of any limitations such as eligibility or staff qualifications. If necessary a phone contact is initiated between the One Stop Center and the appropriate LCSC office for the benefit of the customer.

- *Identify the primary location of service delivery if not in the One Stop Center and note if these locations are intended to be affiliate centers. The WDC has encouraged all partners to offer access to services through the one stop system by assuring an awareness of system services at any point of entry. The WDC has also requested that partners identify their desire to serve as an "affiliate" One Stop Center. To qualify as an affiliate, partners agree to*
 1. *provide access to the IdahoWorks automated system;*
 2. *offer assisted services to those who prefer such services over automated services; and*
 3. *make accurate and up-to-date information available for access on-line? IdahoWorks?*

5. Cost Sharing

All required one stop partners are required to use a portion of their funds to create, maintain and participate in the One Stop delivery system and to provide their core services.

a. Full Time Co-location

The Workforce Development Council required that those partners co-locating full time in a center enter into a separate cost sharing agreement that ensures the partner pays a fair share of the costs of operating the center. A copy of such agreement should be attached to this agreement.

b. Part Time or Visiting Partners

The visiting partner agrees to assume responsibility for a fair share of the common costs of the Center based on a pro-rata share of participants of each partner who use the center. The partner agrees to provide a list of participants enrolled in their program at least once each fiscal period, at a time and in a manner to be agreed upon by partners to this MOU for the purpose of establishing the fair share of common costs. If costs are determined to be immaterial based on the participation of partner participants, no costs will be assigned to the partner. If costs are determined to be material, a separate agreement will be negotiated and affixed as an addendum to this agreement.

5. Referral Arrangements

Describe in detail how referrals will be made to partners and list any requirements for receiving referrals from partner programs; e.g., are referrals made electronically or recorded, do you make phone referrals, send referral cards, etc.

c. Describe your process for referral to the One Stop system partners

The various units within Lewis-Clark State College that interact with the One Stop system are: Workforce Training, Center for New Directions, Adult Basic Education, Student Services and the outreach sites. When staff members within any of these units interact (on the phone, face to face, or e-mail) with a client in need of One Stop services, they refer them to the appropriate office (within LCSC or Commerce & Labor) for an interview and assessment of service needs.

Usually referrals from Idaho Commerce and Labor are verbal. The client is encouraged to make an appointment with a counselor from the Center for New Directions for career exploration and to investigate educational opportunities. At times, an Idaho Commerce and Labor representative may contact a LCSC counselor by phone or email to refer a client.

d. Describe your process for referral from the One Stop system partners

Partners may list any additional conditions related to their programs or services.
