

WIAB 17-11

DATE: March 29, 2012
TO: WIA Dislocated Worker Subrecipients
FROM: Susan Simmons, Deputy Director, Workforce Development Division
SUBJECT: Idaho National Laboratory National Emergency Grant (NEG) Guidance

BACKGROUND

Idaho Department of Labor received a National Emergency Grant for displaced Idaho National Laboratory (INL) site workers effective January 1, 2012 through December 31, 2013.

INL NEG-eligible individuals already enrolled in the regular Dislocated Worker program should be transferred to the NEG program as outlined in this memo no later than the close of business on April 13, 2012.

NEG ELIGIBILITY AND SERVICES

Effective immediately, any workers dislocated from the INL site being considered for WIA services must be served in the NEG program, and NOT the regular Dislocated Worker program.

All INL NEG participants must meet federal and state WIA Dislocated Worker eligibility guidelines. **This National Emergency Grant may only serve applicants dislocated due to the layoffs at the Idaho National Laboratory (*Battelle Energy Alliance, Bechtel, CH2M-WG (CWI)*) and the subcontractors and tradesman impacted as a result of these layoffs).** Individuals dislocated from an employer who reduced their workforce as an *indirect* result of these layoffs are not eligible for services under the NEG.

Participant services allowed under this grant will be identical to services provided to other dislocated workers under the state's regular Dislocated Worker program.

CO-ENROLLMENT IN WIA

Former eligible employees from the INL site must be enrolled in the NEG to receive WIA services.

Program funds will be charged in the following manner:

- Staff time charging for case management
- Training costs
- All other allowable WIA supportive services

PROGRAM ENROLLMENT / APPLICATIONS

This NEG award is effective January 1, 2012. Former INL-site employees enrolled in the WIA Dislocated Worker Program (Program Z) prior to the NEG's effective date should be dual enrolled in the NEG Program (Program J) effective January 1, 2012.

If the INL site employee was enrolled in the WIA Dislocated Worker program (Program Z) January 1, 2012 or later, the participant record will be replaced with an NEG record by WIA programming staff.

NEG Enrollment Application and Signatures:

To enroll in the NEG program, and if the enrollment date in the regular Dislocated Worker program is:

- After January 1, 2012: Case managers should enroll participants in the NEG using the same enrollment date as the regular Dislocated Worker program. A local office management staff person should submit a list of individuals whose automated record is to be **replaced** from the Dislocated Worker program into the NEG program to Jerry Riley, who will delete all Dislocated Worker enrollments. The list should include participant name, SSN, and registration date. It is not necessary to send a list of those who will be co-enrolled in the Dislocated Worker program and the NEG program. Once the record has been replaced, print the NEG application, note on the signature line that the "signature is on file" and place in the participant file.
- Prior to January 1, 2012: The NEG enrollment date should be on or after January 1, 2012. Note on the signature line that "signature is on file" and place in the participant file.

If eligibility documentation has been previously submitted for enrollment into the dislocated worker program to WIA Records, it is not necessary to submit the **same** documentation for purposes of NEG enrollment.

STAFF CHARGES AND PARTICIPANT EXPENDITURE TRANSFERS

Prior to January 1, 2012, all local office time charges and participant supportive service expenditures will remain with the regular Dislocated Worker program.

Local office staff with time charges to the Dislocated Worker program after January 1, 2012 may legitimately transfer time charges to the INL NEG. Local office staff must provide time charge transfer information to designated local office management staff for coordination with accounting.

Participant items purchased after January 1, 2012, and charged to the regular DW program need to be transferred to the NEG. Participant names, SSNs and the Total Actual Cost amount (amount included on the Purchase Agreement-Individual Training Account form - 04) for each purchase will be included on a list from each local office and submitted to Julia Browning, Grant Management Officer by April 13, 2012.
