MEMORANDUM

January 30, 2006

TO: Workforce Development Council

FROM: Megan Ronk, Senior Policy Advisor
Office of Governor Kempthorne

SUBJECT: The Changing Role of the Council

ACTION REQUESTED: Information only

BACKGROUND:

The structure of the workforce investment system in Idaho changed at the beginning of this fiscal period with the implementation of Governor Kempthorne's WIA State Plan on July 1, 2005. Staff is updating information in the Workforce Development Council's orientation manual to reflect these changes and will provide the materials at the January 30, 2006 meeting.

Newly-appointed Council members will receive complete orientation manuals. We are asking all other Council members to bring their orientation manuals to the January 30 meeting to incorporate new sections. If you need a replacement notebook, please advise Alice Taylor or Cheryl Brush.
